

## Evergreen Cemetery Headstone Replacement Project

We are pleased you are interested in purchasing a headstone for your family. Our goal is to provide headstones for all of the individuals known to be buried at Evergreen Cemetery; your participation will help bring that about as well as honor your ancestors.

In order to keep the costs low we are working with a special headstone manufacturer. Our local skilled volunteers make the concrete base and order and install the headstone. Research help is available regarding names and dates for the headstone. Contact us via email at [evergreen@santacruzmah.org](mailto:evergreen@santacruzmah.org) or call Marla Novo at (831) 429-1964 x7019.

The total cost for an installation is \$300. Cost includes headstone, concrete base, and installation. Any additional contribution you make will be used to purchase headstones for those who have no known living descendants.

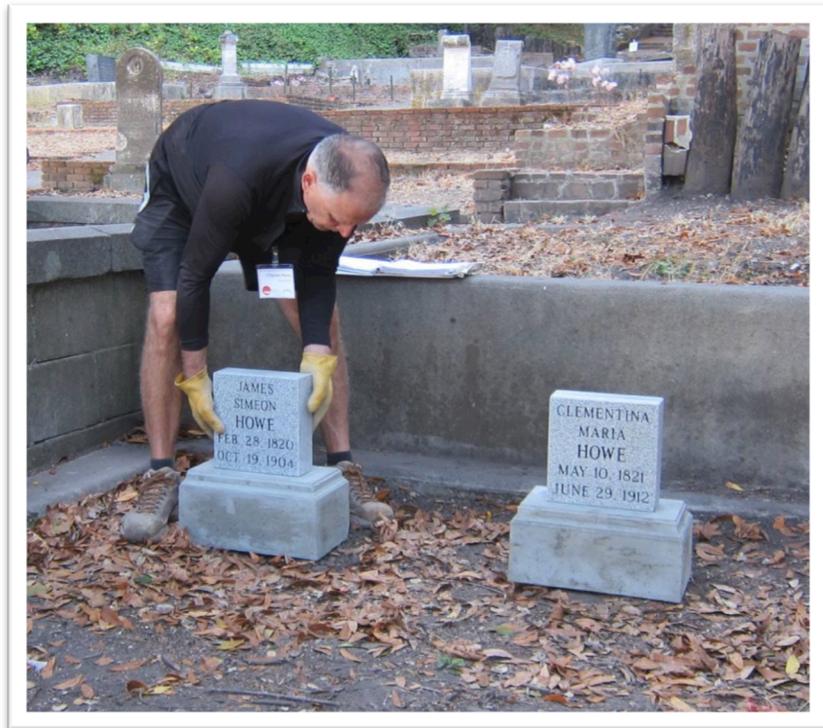

The headstone is made from grey granite with black chiseled lettering. It is 10" x 10" x 3" in size. A skilled volunteer makes a headstone base with a historic design. The headstone is mounted vertically (see photo).

Alternatively, if you are interested in having a custom headstone made from another source, we can work with you on that as well.
