

**You are cordially invited to join or renew your 2022 membership in the
SANTA CRUZ HISTORY FORUM**

MISSION STATEMENT

Santa Cruz History Forum activities enhance our understanding and enjoyment of historical and cultural locations, people and artifacts throughout Santa Cruz County.

- Each quarterly event consists of a compelling presentation on local history at the MAH.
- We sponsor field trips and walking tours to significant sites.
- We promote scholarly, relevant research that encourages public engagement with local history. This is made possible by our Dolkas/Mertz Endowment Fund of over \$90,000.
- Each November, we present the MAH with a check to support history programs. The amount is based on total contributions from our membership dues.

Your annual dues are \$60.00 PER PERSON.
